Journal
American Association of
Nurse Anesthetists
Volume XXVI 1958
Index of Subjects and Authors

A

Aberg, Harriet L.: The National Fire Protection Association's Committee on Hospital Operating Rooms, 257

Allman, David B.: It's human relations that count, 9

American Association of Nurse Anesthetists: Annual meeting, program, 70; call to convention, 80; candidates for office, 171; convention calendar, August back cover; members and rules, 26

Anesthesia: artificial respirators in, 83; effect of LSD (abstract), 196; for burns, 143; for geriatrics, 164; hypotensive (abstract), 194; ice cube, 194; psychiatric hospital, 104; obstetrical (abstract), 119

Anileridine, potency (abstract), 265

B

Baird, Lillian G.: AANA, its members and its rules, 26

Barbiturate intoxication, effect of cortisone (abstract), 58; effect of glucose, 58

Barrett, Richard H.: Hazards of the postoperative period, 32

Benson, Donald W.: The use of artificial respirators in anesthesia, 83

Betts, R. C.: (case report), 50

Black, Albert S.: Anesthesia and burns, 143

Blado, Gloria A.: Role of the nurse anesthetist in the treatment of burns, 217

Blood volume (abstract), 120

Book reviews: Aids to Anesthesia, 126; Anatomies of Pain, 187; Anaesthesia for Nurses, 188; Anesthesia and Otolaryngology, 127; Anesthesia. A Manual for Students and Physicians, 62; Blood Transfusions in Clinical Medicine, 189; The Century of the Surgeon, 189; Hospital Planning for the Anesthesiologist, 261; Inhalation Analgesia in Childbirth, 126; Introduction to Anesthesia. The Principles of Safe Practice, 187; How to Write Scientific and Technical Papers, 127; Hypnography. A Study in the Therapeutic Use of Hypnotic Painting, 126; Law of Hospital and Nurse, 261; Muscle Relaxants in Anesthesiology, 62; DeLee's Obstetrics for Nurses, 62; Personal, Impersonal and Interpersonal Relations. A Guide for Nurses, 188; Perennially Yours, Probie, 271; The Physician's Own Library, 188; Religious Doctrine and Medical Practice. A Handbook for the Physician, Nurse, and other Medical Personnel, 188; Surgery for Nurses, 126; Tracheotomy: A Clinical and Experimental Study, 187; Veterinary Anesthesia, 127

Burns; anesthesia for, 143; treatment of, 217

Buthalitone sodium (abstract), 123

C

Cardioplegia, 151

Catenacci, Alfred J.: The management of anesthesia for cardiac surgery, 241

Children: psychologic preparation of, 168; surgical challenge, 237

Chlorpromazine, convulsions following (abstract), 264

Circulation: effect of promethazine (abstract), 60; extracorporeal, 228

Cleverdon, Jack: Infant resuscitation and tracheal toilet (note), 178

Coakley, Charles S.: The preanesthetic evaluation of the patient with cardiovascular disease, 93

Cole, Francis H.: Anesthesia and the open chest, 157

Cortisone, effect on barbiturate intoxicated patients (abstract), 58

Costello, Mary A.: The tranquilizers, 88

Costley, E. Christine: Hypnoanesthesia, 224

Crosby, Edwin L.: Prevention and control of staphylococcus infections in hospitals (A.H.A. Bulletin 1) (note), 252

D

Deaths, oral surgery (abstract), 121

DelGiorno, Barbara: A comparative study of dipipanone hydrochloride, dihydrocodeine, and Win 14,098-2B with meperidine, 160

Dihydrocodeine, 160

Dipipanone Hydrochloride, 160

Doriden, toxic effects (abstract), 194

Drugs: cardiovascular, 191; tranquilizing, 88; untoward reactions to, 233

E

Ellis, Paul R.: Open heart surgery, 228

Enophthalmus, effect of succinylcholine, 58

Ethoheptazine (abstract), 123

Explosions (abstract), 122

Eye, effect of succinylcholine (abstract), 58

F

Fisher, Carl W.: Emergency management of untoward reactions to drugs, 233

G

Gastric contents, aspiration of, 191

Gastropin (abstract), 196

Geister, Janet M.: The anesthetist as a professional person, 13

Geriatrics, anesthesia for, 164

Glassburn, E. M.: Psychological preparation of the child for anesthesia, 168

Glucose, effect in barbiturate intoxication, 58

H

Halsted, William S., master surgeon, 40

Hampton, Louis J.: A comparative study of dipipanone hydrochloride, dihydrocodeine, and Win 14,098-2B with meperidine, 160

Hayt, Emanuel, 54, 116, 182, 259

Heart: anesthesia for surgery, 241; disease, preanesthetic evaluation of, 93; effect of methitural (abstract), 192; gunshot wound (case report), 50; induced arrest of, 151; surgery, 228; surgery, acidosis during, 194

Hospital safety, 257

Hughes, Wendell L.: What the ophthalmologist requires of the anesthetist, 100

Human relations, 9

Hypnoanesthesia, 224

Hypothermia; 228; blood volume in (abstract), 120

I

Insurance, 52, 114, 176, 262

L

Lam, Conrad L.: Cardioplegia (induced cardiac arrest) as an adjunct in intracardiac operations, 151

Legislation: Court affirms judgment for patient falling out of bed due to lack of side boards, 183; fall of anesthetized patient from operating table found fault of surgeon, 54; hospital negligent in failing to provide "call button" for patient who fell getting out of bed, 184; hospital record entries should have been read in blood transfusion case, 117; hospital and surgical nurse liable for clamp left in patient's stomach, 56; immunity of Connecticut hospitals held to bar action for negligence of nurses, 116; negligence of anesthetist causing patient to swallow false teeth held question for jury, 259; obstetrician held not liable for failure to diagnose pregnancy of patient, 185; patient fails to prove nurse negligently applied tourniquet to arm, 260; responsibility of surgeon for sponge count held question for jury, 182

Link, Gertrude: The tranquilizers, 88

Lysergic acid diethylamide, barbiturate antagonism, 196

M

Manning, John Edward: William S. Halsted, master surgeon, 40

Meperidine: 160; potency (abstract), 265

Meredith, Cameron W.: Psychology and the nurse anesthetist, 18

Metabolic acidosis (abstract), 194

Methitural (abstract), 192

N

Nalorphine (abstract), 120

Normorphine, addiction, 264

Nurse anesthetists: essential qualifications for, 97; professional person, 13; psychology, 18; role in treatment of burns, 217

O

Obstetrics: anesthesia (abstract), 119; premedication (abstract), 190

O'Callaghan, John J.: A modified open end "T" tube (note), 110

Ophthalmology, anesthesia for, 100

P

Position, effect after promethazine, 60

Postoperative hazards, 32

Prestonal (abstract), 266

Promethazine, response to tilting (abstract), 60

Propert, David B.: A comparative study of dipipanone hydrochloride, dihydrocodeine, and Win 14,098-2B with meperidine, 160

Psychiatry, anesthesia for, 104

Psychology: 18; child, 168

R

Recovery room, explosions in, 122

Respiration: effect of cardiovascular drugs on (abstract), 191; measurement of (abstract), 119

Respirators, use in anesthesia, 83

Resuscitation, infant (note), 178

S

Sister M. Yvonne: Essential qualifications for an anesthetist, 97

Staphylococcus infections (note), 252

Stark, Ray G.: The child as a surgical challenge, 237

Succinylcholine, effect on eye (abstract), 58

T

Thoracic surgery, anesthesia for, 157

Tracy, Edward J.: Anesthesia in a psychiatric hospital, 104

Tranquilizers, 88

Trotti, William E.: Geriatric anesthesia, 164

"T" tube, modified (note), 110

Turner, Charlotte: The tranquilizers, 88

W

Weiss, William A.: The management of anesthesia for cardiac surgery, 241

Win 14,098-2B, 160

Z

Zephiran ice cubes (abstract), 194
